

## For Long Haulers Syndrome and for information related to:

**Spike S1 Protein - Need To Know Video** by Dr. King at: <https://www.preparednessinfo.org> on home page.

**Ivermectin:** 0.4mg/kg of body weight (0.4 mg of Ivermectin per 2.20462 lbs. of body weight) once every other day.

More info: <https://search.nih.gov/search?utf8=✓&affiliate=nih&query=ivermectin+and+cancer&commit=Search>

If ANY symptoms or reasons for infection, then take products recommended for  
MANY months (or more likely for years).

**Dose example:** 100 lbs. body weight take 18.14mg of Ivermectin.

Calculate for your own body weight.

## Sources for Ivermectin:

-America's Frontline Doctors (AFLD): <https://americasfrontlinedoctors.org>.

Then: Click **Contact a Physician**, then **Ivermectin**

-**Dr. Stella Grace Immanuel, MD** Rehoboth Medical Center (MD, Pastor, Patriot...)

Houston, TX 77083, (281) 530-1230 Web: <https://drstellamd.com>

-There is other sources, although all sources are under severe attack to shut down.

We do NOT use or suggest Globalist aligned resources like **Amazon**  
just to save a little money and fund the enemy of humanity.

It is your choice if you choose to plant those seeds and reap that harvest in your life.

**We do Not carry Ivermectin**

**WE DO USE ONLY QUALITY PROFESSIONAL BRANDS**

**Your health and life depend on it!**

You may pass this information to all that desire to receive it for help.
